- The lifeguards will go over the general pool rules, explain the layout of the pool, and then test swimmers for swimming ability. In order to enter the deep end of the pool (including diving board), swimmers must pass the test. Those in the party who are unwilling or unable must remain in the shallow end of the pool.
- The lifeguards are not responsible for watching the wading pool. Non-swimmers 5 and under are welcome to use the wading pool, but must be attended by an adult
- An adult pool member **must** be present during pool rental period and take responsibility for all guests. No exceptions, please.
- Noise must be kept to a reasonable level out of respect for the neighbors. All evening pool parties must be out of the facility no later than 11:00 PM.
- Everyone **must** leave the facility 15 minutes after the pool has been cleared.
- The kitchen is available during the rental and may be reserved prior for setup. The renter is responsible for cleaning up after the event.
